

# Liberal Arts and Sciences Curriculum Subcommittee

The Curriculum Committee is established to provide a systematic process for reviewing and recommending actions for proposed changes that affect the college's curricula. The process should be faculty-driven, incorporate administrative leadership and support, and assure effective communication and feedback throughout the college.

The LAS Curriculum Subcommittee necessarily provides a forum for the discussion of educational matters related to A.A., Academic Foundations, Student Development and Leadership, and Library curricula. Membership of this subcommittee consists of the following:

- Two voting members from each LAS department
- One voting member from Student Development Instruction
- One voting member from the Library
- The Director of Advising or Designee - Advisory
- The Director of the Learning Commons - Advisory
- The Curriculum Information Liaison - Advisory
- Provost's Liaison - Advisory
