

# Career and Technical Education Curriculum Subcommittee

The Curriculum Committee is established to provide a systematic process for reviewing and recommending actions for proposed changes that affect the college's curricula. The process should be faculty-driven, incorporate administrative leadership and support, and assure effective communication and feedback throughout the college.

The CTE Curriculum Subcommittee necessarily provides a forum for the discussion of educational matters related to A.S./A.A.S./C.T.C. curricula. It also makes recommendations to the Provost and Vice President for Academic Affairs that reflect the views of faculty and administrative and professional staff. Membership of this subcommittee consists of one voting member from each CTE department/area, CTE program advisors (advisory), a liaison from the Provost and Vice President for Academic Affairs Office (advisory), and the Curriculum Information Liaison (advisory).

Membership of this subcommittee consists of the following:

- One voting members from each CTE Department
- The Curriculum Information Liaison - Advisory
- Provost's Liaison - Advisory
